Supplemental Type Certificate

Number SA01246AT-D

This certificate issued to Stevens Aviation, Inc.
10656 W. 120th Ave.
Broomfield, CO 80021

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 3 of the Civil Air Regulations.

Original Product - Type Certificate Number : 3A20

Make : Beechcraft

Model : E90

Description of Type Design Change: Installation and operation of a Bendix King EFS 50 Electronic Flight Instrument System installed in accordance with Master Control Drawing No. TW-A-682-000, Revision O, dated November 6, 1996, or later FAA approved revision.

Limitations and Conditions: This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined by the installer that the interrelationship between this change and any of those other previously approved modifications will produce no adverse affect upon the airworthiness of that airplane. FAA Approved Airplane Flight Manual Supplement, AFMS96080, dated March 6, 1997, or later FAA approved revision, is a required part of this STC.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application : January 2, 1997

Date reissued : April 18, 1997

Date of issuance : March 6, 1997

Date amended :

By direction of the Administrator
